## **SULLIVAN RENAISSANCE PROJECT SUMMARY**

The “Project Summary” included in your binder is required documentation and is an important tool for the judges to understand the scope of your project. Your summary should include:

- 1) A brief written summary of your completed project
- 2) A list of collaborating groups that worked on your project
- 3) A volunteer log summarizing the total number of volunteer hours

You may submit this information on the form provided, or separately in a different format if you prefer.

### **WRITTEN SUMMARY**

In the space provided below, summarize your project in 300 words or less. Describe what you have accomplished, whether you met your goals, who was involved in making the project a success, and what impact the project had on your community. Use additional sheets if necessary.
